There are two ways to filter the system to meet your needs. You can use the tags on the homepage, or you can filter by your personal subscriptions or applications that you have submitted. To update your subscriptions, click on the My Stuff menu and then select Manage My Tags.

Note: Tags with a black arrow next to them have additional nested tags within them.
<table>

<td>02/14/2019</td>
<td>Innovation Corps Sites Program (I-Corps Sites) - NSF 16-547</td>
<td>NSF</td>
</tr>
</tbody>
</table>

You can also use this text box to search for funding opportunities. Enter at least three characters in the name of the funding opportunity or sponsor to filter the list.
To subscribe to a tag, simply select it by clicking in the box to the left of the tag. If you subscribe to the parent tag of several nested tags, this will subscribe you to everything in that nest. However, if you select a specific tag within a nest, you will only be subscribed to that specific keyword.

You will receive an email (based on your chosen preference) each time a new opportunity marked with one of your chosen tags is loaded into the system.

If you prefer to not receive emails, you can also receive alerts in the system, which is shown on the next page.
A funding opportunity was just created/updated that contains at least one of the tags you subscribed to.

Entry date: 10/01/2018; View: Dr. Ernest J. Ring Academic Development Grant (SIR Foundation)

A funding opportunity was just created/updated that contains at least one of the tags you subscribed to.

Entry date: 10/01/2018; View: Dreyfus Prize in the Chemical Sciences (Camille and Henry Dreyfus Foundation)

A funding opportunity was just created/updated that contains at least one of the tags you subscribed to.

Entry date: 10/01/2018; View: Inclusion across the Nation of Communities of Learners of Underrepresented Discoverers in Engineering and Science

A funding opportunity was just created/updated that contains at least one of the tags you subscribed to.

Entry date: 10/01/2018; View: Jointly Sponsored Ruth L. Kirschstein National Research Service Awards (NRSA)

A funding opportunity was just created/updated that contains at least one of the tags you subscribed to.

Entry date: 10/01/2018; View: The Frederic Esser Nemmers Prize in Mathematics

To view your alerts in the Research Funding and Award Database, click on the **My Stuff** menu and then select **Alerts**.

From here, you can select the name of the opportunity to view the record, or you can select the box to the left of the opportunity to delete the alert or mark it as read.
Once you have selected a funding opportunity, you can email it to yourself or a colleague by clicking the Email Opportunity button.
Apply to this Funding Opportunity

If you would like to apply to this funding opportunity, please submit your application below. The document must contain all of the information requested in the requirements and limitations sections of the opportunity description and must be in doc or pdf form.

To apply for a funding opportunity, drag or select a file from your computer here. You do not need to click a submit button; the file will automatically upload.

If you notice a mistake with the file you uploaded, simply upload a new file. This will overwrite your current application.
